PUZZLE / DEFINITION WORKSHEET / SOLUTION

VOCABULARY CLUES / Use the word bank on page 1.

1. A straight path extending without end both ways

2. Straight paths with one endpoint extending one way

3. An exact location without size

4. A portion of a line between two endpoints

5. In one plane and never meeting

6. A line perpendicular to a surface or curve at a point

7. To meet at a shared point

8. Describing nonparallel nonintersecting lines in space

9. A line touching a curve with its local direction

10. A line crossing a curve at two points

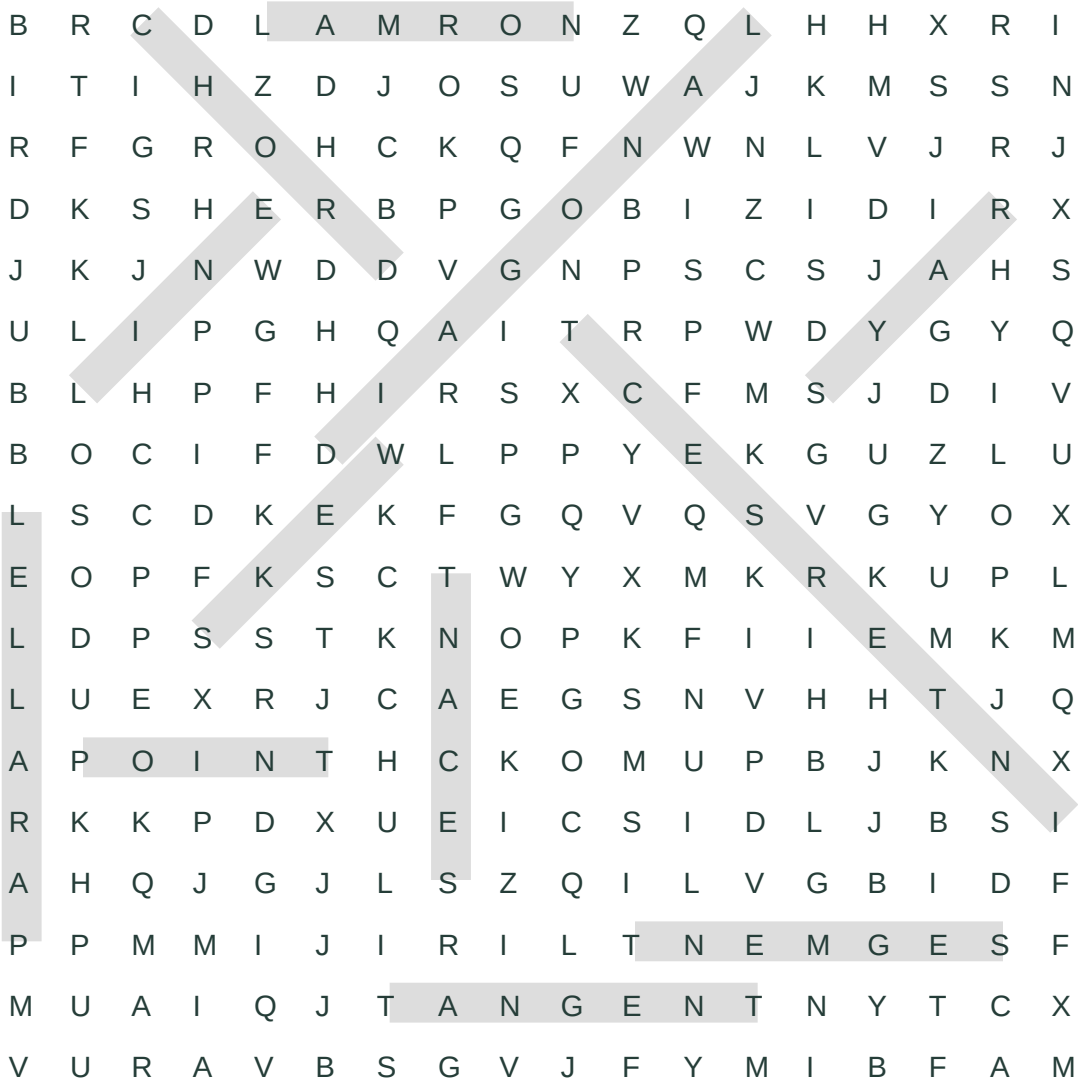

11. A segment joining two points on a curve

12. A segment joining nonadjacent polygon vertices
